

QUICK-BUILD SAFETY INFRASTRUCTURE

Improving safety and mobility for all forms of active transportation

BIKERAIL®

CURBRAIL™

RAILRIBBON™

STEELGREEN™ Planters

Strong, physical separation between traffic lanes and bike/ped zones

Modular Steel Components

- Combine parts to quickly define space and configuration
- Seamlessly expand, contract, or reconfigure system
- Narrow footprint

Quick Build

- No excavation
- Easy to assemble, adjust, install, remove, relocate, reuse
- Storm water drainage-friendly

Permanent or Temporary Application // New or Retrofit Construction

Strong, Durable, Affordable, Aesthetically Appealing

Customizable to Promote Area/Zone Identity

Designed and made in America; Patents Pending

BIKERAIL® and CURBRAIL™

- Strong, protective steel rail systems
- Modular, segmental, adjustable
- Quick build: easy install & removal
- Permanent or temporary, new or retrofit applications
- No excavation, no impact to utilities
- 2" clearance above grade = storm water drainage
- Add Flex Delineators or RAILRIBBON to any Post
- Galvanized or powder coat color finish (over galv)
- **BIKERAIL:** 3" x 5" rail • 7" overall height • 4' and 8' lengths
 - Protected Bike Lane • Traffic Channelizers
 - Construction Re-Routing • Chicanes
- **CURBRAIL:** 2" x 4" rail • 6" overall height • 2' and 4' lengths
 - Curb Extensions, Bumpouts
 - Refuge Islands • Center Medians

ECHORAIL™

- Custom rails featuring city logos or imagery
- Enhances the aesthetic and establishes identity/wayfinding on BIKERAIL and CURBRAIL systems
- Interchangeable with any other rails in the system

RAILRIBBON™

- Decorative polymer ribbon enhances visibility and aesthetics of BIKERAIL and CURBRAIL systems
- Choose from multiple shapes; choose single or double ribbon
- Use with or without Flex Delineators
- Add RAILRIBBON during initial installation or at a later date

STEELGREEN™ Planters

- Protected Bike Lane buffer zones, transit corridors
- 48"L x 24"W x 25"H • 100% steel
- Forklift- and anchor-ready
- Galvanized or powder coat color finish (over galv)
- Optional self-watering system

PEDI STILL® Hand+Foot Rest

- Optional steel accessory on STEELGREEN Planters
- Creates "red light rest stop" at intersections
- Choose hand rail only, or hand rail+foot rest
